FROM YOUR DOORSTEP

When you embark on a 2025-2026 Holland America Hawaii or Panama Canal cruise, a simple drive or domestic flight to one of our convenient North America ports unlocks a world of destinations, cultures, and experiences without the challenges of overseas air travel. Our Panama Canal itineraries depart from either Ft. Lauderdale or

Miami on the East Coast and either San Diego or Seattle on the West, while our Hawaii cruises depart from (and return to) either San Diego or Vancouver, making it easy for you to kick back, relax, and enjoy the spectacular scenery as a world of historic sites, winsome wildlife, and cultural connection unfolds before your eyes.

CROSS THE Panama Canal OFF YOUR BUCKET LIST

EXPERIENCE A Man-Made Marvel

The Panama Canal consists of three locks:

- The **Miraflores Locks** are the closest to Panama City and the Pacific Ocean. After entering the locks, you'll feel their two chambers raise the ship 54 feet above sea level to Lake Miraflores and watch the cement walls rise as the water falls away beneath you.
- Next are the **Pedro Miguel Locks**, whose single chamber will raise the ship 31 feet up to Lake Gatun
- The **Gatun Locks** are the closest to the Atlantic Ocean. Their three chambers will lower the ship a total of 85 feet back to sea level.

The variety of birds and wildlife in the surrounding forest, combined with the feat of engineering that is the canal itself, make for a unique experience best undertaken by sea vessel.
